

Material Safety Data Sheet

Section I. Chemical Product and Company Identification

Siskin Enterprises, Inc. (800) 453-8470 Updated: 01/01/2011
P.O. Box 58
Salt Lake City, UT 84110

PRODUCT NAME: PermaPlate Fiberguard®

IMPORTANT! Read this MSDS before use or disposal of this product. Pass along the information to employees and other persons who could be exposed to the product to be sure that they are aware of the information before use or other exposure. This MSDS has been prepared according to the OSHA Hazard Communication Standard [29 CFR 1910.1200]. The MSDS information is based on sources believed to be reliable. However, since data, safety standards, and government regulations are subject to change and the conditions of handling and use, or misuse are beyond our control, SISKIN ENTERPRISES, INC. makes no warranty, either expressed or implied, with respect to the completeness or continuing accuracy of the information contained herein and disclaims all liability for reliance thereon. Also, additional information may be necessary or helpful for specific conditions and circumstances of use. It is the user's responsibility to determine the suitability of this product and to evaluate risks prior to use, and then to exercise appropriate precautions for protection of employees and others.

Section II. Hazardous Ingredients

Contains no hazardous ingredients.

Section III. Physical Data

Appearance: A thin, hazy mixture.
Boiling Point: < 200° F
VOC: 0 grams / liter
Specific Gravity: 1.0
% Volatile by volume: 90

Section IV. Fire and Explosion Data

Flash Point (method): < 200° F (TCC)
Extinguishing Media: CO₂, dry chemical, foam, water fog, water spray.
NFPA Classification: IIIB
NFPA Symbol Codes: Flammability 0, Health 1, Reactivity 0
Fire Fighting Procedures: Wear approved SCBA with full face piece operated in positive pressure demand mode.

Section V. Reactivity Data

Stability:

Material is Stable

Hazardous Polymerization:

Hazardous Polymerization is not expected to occur.

Incompatibility:

Avoid contact with strong oxidizers.

Hazardous Decomposition:

Combustion may produce Carbon Monoxide, CO₂.

Section VI. Health Data

Routes of Entry:

Inhalation, skin absorption, ingestion

Listed Carcinogen:

Not listed by IARC, NTP or OSHA

Medical Conditions Aggravated:

Pre-existing conditions of the skin & respiratory system.

Inhalation:

Excessive inhalation of vapors can cause nasal and respiratory irritation, central nervous system effects including dizziness, weakness, fatigue, nausea, headache and possible unconsciousness.

Ingestion:

Can cause gastrointestinal irritation, nausea, vomiting & diarrhea. Eyes: May cause irritation, redness, tearing, blurred vision.

Skin:

May affect pre-existing conditions of dry skin and dermatitis. May cause irritation and defatting.

Section VII. First Aid

Inhalation:

Remove to fresh air. If problems develop, get medical attention. If breathing is difficult, administer oxygen. If breathing has stopped, give artificial respiration. Keep person warm and quiet and get medical attention.

Ingestion:

Do NOT induce vomiting, keep person warm, quiet and get immediate medical attention. Aspiration of material into lungs due to vomiting can cause chemical pneumonitis which can be fatal. Have physician determine if induced vomiting or evacuation is in order.

Eyes:

Flush with large amounts of water for 15 minutes. Hold eyelids apart to ensure flushing. If irritation develops, get medical attention.

Skin contact:

Wash with soap and water. Remove contaminated clothing and wash before re-use.

Section VIII. Employee Protection

Respiratory Protection:

If exposure is expected to exceed suggested TLV, wear a NIOSH approved respirator.

Protective Clothing:

Nitrile gloves and chemical splash goggles.

Additional Measures:

Do not place product in unmarked container. Keep away from children. Slippery when spilled.

Section IX. Spill and Disposal Data

Spill:

Dike to prevent spillage into stream or storm drain system. Recover all material possible. Absorb remaining material with vermiculite or other absorbent material.

Waste Disposal:

Follow Federal, State and local guidelines.

Handling & Storage:

Store in a cool, well ventilated area. Avoid freezing or over heating.

Section X. Other Regulatory Information

Non Regulated

Section XI. Precautionary Statements

This information contained in this MSDS is based on the data available to us from sources we believe to be reliable. No warranty or guaranty expressed or implied is made regarding the accuracy of this data or the results obtained from the reliance on this data. The manufacturer assumes no responsibility for injury from the use of this product. Be safe: Read this safety information and forward it to all persons who may be exposed to this product.
