

TECHNICAL BULLETIN

CITRUS POWER CLEANER PLUS

Safe and effective on many surfaces, Citrus Power Cleaner Plus is the ideal low-foam solution for professionals needing to quickly and completely remove grease, grime and stains from carpet, upholstery, leather, plastics, engines and tires. This solvent-free formula is ideal for hot/cold extraction machines, as well as air-powered cleaning tools. Leaves carpet clean, smelling pleasant and the fibers soft with no sticky residue.

Part #: 1 Gallon, D-10701
5 Gallon, D-10705

Packaging: 1 Gallon – 4 per case
5 Gallon – 1 per each

Features:

- Low foaming, solvent-free, concentrated APC for interior detailing
- Extractor, air tool and hand use friendly
- Safe on carpets upholstery, leather, plastics & more

pH: 12 - 13

Paintable: Yes

Dilution: Heavy Duty Strength: 4:1
(Water : Product) Medium Duty Strength: 10:1
General Cleaning (Cold Water Extractors): 20:1
General Cleaning (Hot Water Extractors) 64:1

Application: For best results, use Meguiar's DMS6000 Metering System for precise mixing and less waste. Dilute to recommended strength and spray onto towel or brush and then scrub or wipe the desired surface. For more stubborn stains, spray directly onto the surface and let sit for 30-45 seconds, then thoroughly rinse clean with water. Do not allow to dry on the surface.

Pro Tips: For stronger cleaning and long term extractor machine performance, it is best to apply Citrus Power Cleaner Plus directly to carpet and upholstery. Use the machine for rinsing and extraction only. By running only water through the machine, the pump will last longer. Read Meguiar's Detailer Technical Bulletins and Application Bulletins for more product information and professional tips.
